

In partnership with:

PRELIMINARY LIST OF PARTICIPANTS

AVCORP INDUSTRIES INC

Designs and builds major airframe structures for some of the world's leading aircraft companies, including Boeing, Bombardier, BAE Systems and Cessna. Avcorp offers integrated composite and metallic aircraft structures to aircraft manufacturers

Canada

BOMBARDIER AEROSPACE

A world-leading manufacturer of innovative transportation solutions, from commercial aircraft and business jets to rail transportation equipment, systems and services

Canada

AIRBUS GROUP - REGIONAL GLOBAL SOURCING OFFICE EAST ASIA

Develops and manufactures both two-dimensional and three-dimensional (spatial) position/angle sensors.

China

AEROLIA SAS

French Aerostructures leader and world #2 for the production of Nose Fuselage subassemblies, Aerolia produces every year 500 nose fuselage sections and more than 4 million elementary parts and panels.

France

AIRBUS GROUP

Airbus International Cooperation

France

AIRBUS HELICOPTERS

Helicopter manufacture and maintenance

France

CORIOLIS COMPOSITES

Specialist in the implementation of composite materials Coriolis Composites develops, makes & markets robotic cells for fiber placement using a standard 6 axis robot enabling the laying of continuous or discontinuous fibers, in all directions

France

DAHER AEROSPACE

Aircraft manufacturer ; Aerostructure design and manufacturer ; Composite and metallic design and build

France

FIGEAC AERO SA

FIGEAC-AERO offers complete services to its customers from the design phase to the manufacturing of aeronautical subassemblies

France

IRT JULES VERNE

Research and innovation center dedicated to advanced manufacturing technologies for composite, metals and hybrid structures.

France

In partnership with:

CITY OF NAGOYA

C-ASTEC

JETRO
Nagoya

GREATER NAGOYA
INITIATIVE

AIKHI PREFECTURAL GOVERNMENT

PRELIMINARY LIST OF PARTICIPANTS

MITIS

Develops a vibration assisted drilling technology : drilling and countersinking processes, multi-material stacks drilling for aeronautical assembly applications, design of tool-holders, integrated systems, spindle for robotized end-effectors

France

POLE DE COMPETITIVITE EMC2

Competitiveness Cluster built on synergies and innovative, collaborative projects in order to give partner firms the chance to become first in their fields, both in France and abroad.

France

SOGERMA ROCHEFORT

Sogerma is a multi-specialist aeronautic, which is positioned as ambitious player in its three activities: Aerostructures, Cabin Interiors and Crew Seats - Sogerma do the design, development, manufacturing and customer support for its 3 activities.

France

AIRBUS GROUP- GLOBAL SOURCING NETWORK

Aerospace and Defense - Global Sourcing Network

Germany

PORSCHE CONSULTING GMBH

Services for the Aerospace Industry (OEM and Supply Chain) - Management Consulting, Consulting Services

Germany

AERNNOVA ENGINEERING PRIVATE LIMITED

Engineering

India

LARSEN & TOUBRO SERVICES

Engineering services in the segments of mechanical and avionics: concept design to reverse engineering, modelling and analysis, virtual testing, flight control testing systems, prototyping, physical testing certification support and manufacturing

India

TATA ADVANCED SYSTEMS LTD

Defence, Aerospace, Aero-Structures and Homeland Security

India

ELBIT SYSTEMS - CYCLONE

Aerostructure Assembly & Aircraft Components

Israel

BRETON S.P.A.

Production of 3,4,5, and 6 axis upper gantry machining centres for the processing of components in composite materials, aluminum, steel and super-alloys in the aerospace, automotive, general engineering areas

Italy

In partnership with:

CITY OF NAGOYA

GREATER NAGOYA INITIATIVE

AIKHI PREFECTURAL GOVERNMENT

PRELIMINARY LIST OF PARTICIPANTS

CIMA SPA

Manufacturer of precision gears for the most demanding applications in the fields of machinery, automotive, aeronautical applications

Italy

AERO FACILITY CO., LTD

Resales of the helicopters such as Enstrom Helicopters and Marenco Swiss helicopters / Making heliport (helipad)

Japan

AIKI RIOTECH CORPORATION

Design, manufacturing and sales of textile machines and industrial machines and equipments

Japan

AKABA SEISAKUJYO CO.,LTD / AEROSPACE IIDA

Specialized in 5-axis CNC Machining of complex shaped parts, Rapid Sample Development, Fabrication and Assembly of manufactured parts

Japan

AKEVONO KOHGYOH CO., LTD

Aircraft parts, robots, equipment parts, machine tools and precision equipment parts

Japan

ALL NIPPON AIRWAYS CO., LTD

Airlines

Japan

ALL NIPPON AIRWAYS TRADING CO

Aircraft leasing service - Marketing of semiconductors and security devices - Planning, development, and procurement of ANA in-flight service products and merchandise

Japan

AMANO KOUGYO CO.

Machine parts, jigs and dies and various steel grinding & precision grinding. Manufactures jigs and tools, and precision machinery components

Japan

ARKSJAPAN CORPORATION

Offers software by package to a proposal, development, and introduction. In particular, ipad and a tablet are utilized and let it be a role to propose the software on the theme of paperless or visualization focusing on the manufacturing industry.

Japan

ASAHI KINZOKU KOGYO INC.

Manufacturing aerospace parts, including special process

Japan

In partnership with:

CITY OF NAGOYA

C-ASTEC

JETRO
Nagoya

GREATER NAGOYA
INITIATIVE

AIKHI PREFECTURAL GOVERNMENT

PRELIMINARY LIST OF PARTICIPANTS

ASAHI RUBBER CHEMICAL, CO., LTD.

Planning, development, design and manufacture of rubber and plastic products, plastic coating products

Japan

ASAHI-SEIKI MANUFACTURING CO.,LTD

Precision engineering, machinery

Japan

AYABO CORPORATION

Leader in PVD coating technology

Japan

BONFORM CO, LTD

Car interior and accessories

Japan

CENTRAL JAPAN INTERNATIONAL AIRPORT CO., LTD

Airport

Japan

CHUKOH CHEMICAL INDUSTRIES, LTD.

Provides technologies for processing fluoroplastics and technologies for coating industrial fabrics

Japan

DAIICHI SYSTEM ENGINEERING CO., LTD

DSE provide the full support to the leading aerospace companies seeking for the new field in this endless sky, the aerospace industries

Japan

DAISHIN SEIKI CORPORATION

Prototypes and components for Motorcycles, Automotive, Autorace, Aerospace and Robotics, Prototype Development Service, Jig manufacturing Service, Machining Service

Japan

FEDERAL EXPRESS CORPORATION - FEDEX JAPAN

Logistics

Japan

FLECLAM CO., LTD

Parts replacing the fixture manufacturing dies and FA for electrical equipment, etc. For mechanical machining and inspection Jig tool manufacturing and sales

Japan

FUJI HEAVY INDUSTRIES LTD

Manufactures of transportation-related products, placing Subaru automobile business as its core business. Aerospace: Manufacturing, repairing and selling of aircrafts, Composite material, and their genuine parts.

Japan

FUJIDREAM AIRLINES

Airlines

Japan

In partnership with:

PRELIMINARY LIST OF PARTICIPANTS

FUSO MACHINE WORKS, LTD.

Design and manufacture of automated facilities for the manufacture of automobile parts, electric parts and electronic parts

Japan

GIFU PREFECTURAL GOVERNMENT

Japan

HADASEIKOU CO., LTD

Specialized in precision lathe working for special steels. We are capable of processing thin wall parts components up to Ø 2000 precisely including for aircrafts and the energy production industry

Japan

HANYUDA CO., LTD

Development, design, manufacture, sales and installation of industrial equipment; high-pressure sterilization vessels with clutch doors, autoclaves and pressure vessels

Japan

HARADA VEHICLE DESIGN CO,LTD

Development control (software), Automotive parts design : seats, Interior and exterior resin parts and door locks seat adjusters, brake system. Design contractor development consigned motor show development outsourcing

Japan

HIKARI SEIKO CO., LTD.

Leading manufacturer of universal joints

Japan

IHI AEROSPACE CO LTD

Jet Engine Maker, Space Equipment Maker (including Rocket), Marine Gas Turbine Maker

Japan

IMAI AERO-EQUIPMENT MANUFACTURING CO., LTD

Production of machine parts for aerospace and assembly for aircraft. Design and development and production of GSE for aircraft

Japan

ISHIGANE SEIKI CO., LTD

Design and production of precision machine parts such as machine tools, semiconductors, manufacturing equipment, HDD assembly equipment

Japan

ISHII MACHINERY CO., LTD

Our manufactured products include automobile and semi-conductor related machine large scale printing machines, aerospace related machines jigs etc (from development & design to process design, technology speculaion, evaluation, assembly)

Japan

In partnership with:

CITY OF NAGOYA

C-ASTEC

JETRO
Nagoya

GREATER NAGOYA
INITIATIVE

AIKHI PREFECTURAL GOVERNMENT

PRELIMINARY LIST OF PARTICIPANTS

ISHIKAWA SEIKO CO., LTD

Processing of electromechanical precision parts, processing of ultra micro precision parts, processing of prototype parts, design and manufacturing of jigs and tooling

Japan

ITO CORPORATION

Production and sale of high-precision micro syringes, stainless or titanium pipes, nozzles and parts.

Japan

IZAWA METAL CO.,LTD.

Specialized trading company that only uses nonferrous metals. Our mixture of "exclusive knowledge" and "creative inventiveness" which we have earned from various experiences of trading metal materials for many years, will bring answers to every needs

Japan

J & E PARTNERS, JUN SHINODA

Business Promotion of Airport Leipzig/Germany, Investment Promotion to City Leipzig/Germany

Japan

JAL - JAPAN AIRLINES INTERNATIONAL CO LTD

Airlines

Japan

JAMCO CORPORATION

Aircraft Maintenance and Engineering

Japan

JAPAN EXTERNAL TRADE ORGANIZATION (JETRO)NAGOYA

Promoting foreign direct investment (FDI) into Japan, promoting trade and business between Japan and the rest of the world

Japan

JASPA CO.,LTD

Integrated production of aero engine parts with most advanced machine equipment and facilities for high accuracy machining broaching shot peening non-destructive inspection such as etching,penetrant inspection and magnet particle inspection

Japan

K.K. SDV JAPAN

Multimodal Transport, Customs and Regulatory Compliance, Logistics, Industrial Projects and Supply Chain Services.

Japan

KAIGAI CORPORATION

Import and sale of aviation electronics, aircrafts, meters and measuring instruments. Repair and maintenance of the above electronics, instruments in accordance with regulations

Japan

In partnership with:

PRELIMINARY LIST OF PARTICIPANTS

KATO MFG CO., LTD

Manufacturing parts of aircrafts equipments, car parts, house related products such as ventilation blower parts. Environmental products, sound insulating wall

Japan

KAWASAKI HEAVY INDUSTRIES LTD

Manufactures a vast array of products that demonstrate technological mastery of the land, sea, air and outer space. Its aerospace business offers various products ranging from aircraft to satellites

Japan

KIGUCHI TECHNICS INC.

Services ranging from specimen preparation to a variety of material testing.

Japan

KOUWA IRON WORKS CO., LTD

Aircraft, medical equipment, automotive precision machinery parts

Japan

METAL TECHNOLOGY CO. LTD

Providing advanced metal processing technology in a variety of business fields from the LCD/semiconductor industry to aerospace with our integrated production and our sophisticated quality assurance system.

Japan

MITSUBISHI AIRCRAFT CORPORATION

Development, Production, Sales and Customer Support of MRJ - (Manufacture is to be commissioned to MHI)

Japan

MITSUBISHI HEAVY INDUSTRIES LTD

Develops and manufactures key components, such as wings and fuselages, for civil aircraft

Japan

MITSUBISHI HEAVY INDUSTRIES, LTD.

Engineering, manufacture and sale of ships, power systems, environmental improvement equipment, industrial machinery, aircraft, space systems, air-conditioner, etc.

Japan

MUSASHI SEIMITSU INDUSTRY CO., LTD.

Manufacturing and sales of Automobile, Motorcycle and machinery parts

Japan

NABTESCO CORPORATION/AEROSPACE COMPANYY

Primary Flight Control Actuators, Electric Power Management and Distribution System - Engine Pumps as well as Fuel Nozzles

Japan

In partnership with:

PRELIMINARY LIST OF PARTICIPANTS

NAGAE-SIKI CO., LTD

Designs and produces regular slotted container and partition/divider

Japan

NAGANO TECHNO FOUNDATION

New Technology Development, Nagano Techno Foundation extends support to create new industries through "Advanced new technologies"

Japan

NAGASHIMA MANUFACTURING CO., LTD

Design, production and sale of stainless steel tube fitting for food and medical industry

Japan

NAGATA TEKKO CO, LTD

Precision tooth surface grinding gear manufacturing

Japan

NAGOYA OIL-LESS CO.,LTD. (NAO)

Dedicated to the development & production of high quality, durable, efficient functional-automotive-parts. NAO emphasizes working closely with customers to ensure that products continuously meet and surpass required specifications

Japan

NAKASA CORPORATION

Lost-wax precision casting production from development prototyping

Japan

NAKASHIMA PRECISION MANUFACTURING CO.,LTD

Design and production of jigs and special machines, laboratory equipment, machine assembly, conveyor

Japan

NE CO., LTD

NE:Parts processing of machine tools and robots and assembly of units.Parts manufacturing of Aerospace and etc. / Aerospace IIDA:The joint ordering team which aims at the integrated production of Aerospace parts.

Japan

NIIGATA METALLIKON INDUSTRY CO., LTD.

Provides several surface treatment processing such as metal plating, painting, shot peening and abrasible spray coating. we already have the JISQ9100/ISO9001 related to aerospace business, and now preparing for acquisition of NADCAP

Japan

NIKKOKIZAI INC.

Cutting tools and parts, polishing tools, jigs, and measuring instruments in compliance with the needs of die manufacturers

Japan

In partnership with:

PRELIMINARY LIST OF PARTICIPANTS

NIPPON EXPRESS CO., LTD

Global logistics provider

Japan

NSR JAPAN

Product design engineering service, engineering staffing, (A&P) staffing, other outsourcing, multi-lingual staffing

Japan

OFFICEMATION

Software contract development of control system and business system

Japan

OHKAWA CORPORATION

Leader in the metal-processing industry, providing technical services & components for state-of-the-art mobile wireless communications equipment, telecommunications equipment for deployment in satellites, equipment for aircraft and related facilities

Japan

OHKITA SEISAKUSYO

Provides tight-tolerance battery cases and other components to meet requirements of aerospace industries with our primary technology of "thinmetal welding"

Japan

OHMURA MANUFACTURING CO., LTD

Manufacturing of metal parts for aerospace by CNC lath and MC

Japan

OHORI GRINDING COMPANY

Various Processing Of Precise Grinding

Japan

OKAYA & CO., LTD.

Global trading company

Japan

OSG CORPORATION

Manufacture and sales of cutting tools, rolling dies, gauges, machine tools and machine parts; import and sales of tools

Japan

PAIONIA FURYOKUKI CO., LTD

Development, mechanical design, manufacture and sales of "Clean Room Duster(Air Shower Room)", "Air Vacuum Mat(Shoe Sole Cleaner)", "Shoe Cleaner(Shoe Sole Cleaner)", "Boot Washer(Boots Cleaner)" and more

Japan

In partnership with:

CITY OF NAGOYA

C-ASTEC

JETRO
Nagoya

GREATER NAGOYA
INITIATIVE

AIKHI PREFECTURAL GOVERNMENT

PRELIMINARY LIST OF PARTICIPANTS

PROMEXICO JAPAN

Promote exports from Mexico to Japan and attract direct investment to Mexico from Japan

Japan

PUNCH INDUSTRY CO., LTD.

Manufacturing cutting / grinding processed precision parts for tooling, jig, automation equipment, medical equipment and hydraulic equipment

Japan

REALVIZ, INC.

Focusing on the Realtime Visualization Business in Japan, we delivered M&S solutions with our partner. Also we delivered unique e-learning system to which is maintenance training system of Japanese US-1

Japan

RYOKI TOOL CO., LTD

Strong for tooling related to carbon fiber matrix-composite. Working for body and CenterwingBOX of B787

Japan

SAFRAN GROUP

Safran is a world-class manufacturer of aircraft & rocket engines and propulsion systems, and aircraft equipments.

Japan

SANKO HAMONO CO., LTD

Industrial cutter maker

Japan

SANKO MFG CO., LTD.

Manufacturing parts such as rocket, engine and hydraulic equipment

Japan

SANNO TECHNO-ARTS CO., LTD

Producing placards decals markings and other printed signs that have excellent visibility elasticity and flam-retardant function

Japan

SHIONO SEISAKUSO CO., LTD

Supply chain management consortium created in 2009 by 10 individual companies from different engineering fields to provide integrated manufacturing solutions to the aerospace industry (ISO9001, JISQ 9100 certification, NADCAP accreditation)

Japan

SINFONIA TECHNOLOGY CO., LTD

As the only Japanese manufacturer of on-board power units for aircraft, it has developed and supplied main generator systems, store management systems and VSCF converters for next-generation power supplies

Japan

In partnership with:

PRELIMINARY LIST OF PARTICIPANTS

SKY CO., LTD.

The frame and sheet metal cover of welding Les by duralumin material

Japan

S-TEC CO., LTD

We manufacture and process a number of equipment parts related to aeronautics and space technology for which precise dimensions and quality management are critical.

Japan

SUMITOMO PRECISION PRODUCTS CO LTD

Landing Gears and Landing Gear Control Systems

Japan

SUN-TECTRO, LTD.

Development, design, production and repair of defense devices and electronic devices for industrial machinery

Japan

TAKASAGO FLUIDIC SYSTEMS

Specialist manufacturer of miniature chemically inert valves and pumps

Japan

TAMADIC

Development, design, and production technology, and test analysis in the aerospace and automotive industries

Japan

TAMAGAWA SEIKI CO., LTD

Develops and manufactures both two-dimensional and three-dimensional (spatial) position/angle sensors.

Japan

TECHNOPLAST CORPORATION

Cutting, general and machining processing. We offer great flexibility ranging from ultra-small parts to complicated formed precision parts, and from trial products to mass-produced products

Japan

TENRYU AERO COMPONENT CO., LTD.

Aerospace parts assembling and manufacturing

Japan

THE YOKOHAMA RUBBER CO., LTD

Involved in multi-business operations, such as marine, civil-engineering, construction, anti-seismic and aerospace; in the aerospace, rubber productions.

Japan

THERMOLITE CO.,LTD

Molding Company of Thermal setting resin / Molding Company of AFRP (Aramid Fiber Reinforced Plastics)

Japan

TOCALO CO., LTD.

Develops various types of surface modifying technologies including thermal-spray coating

Japan

In partnership with:

PRELIMINARY LIST OF PARTICIPANTS

TOHMEI INDUSTRIES CO., LTD

Manufacturer of aerospace structures

Japan

TOYO KOKU DENSHI CO., LTD

Manufacturing electrical wiring system and ground test equipments for aerospace market in Japan

Japan

TOYOTA BOSHOKU CORPORATION

Interior systems products for Automotive

Japan

TSUCHIYA CO., LTD.

Manufacturer and distributor of automotive stripes/labels, paints, synthetic resins, ceramics, adhesives, tapes, textiles, magnets and many other kinds of chemical products for automotive, aerospace, office automation and housing industries

Japan

UCHIDA CO., LTD

Prototype of carbon fiber reinforcement plastic for parts of aerospace, 2-wheels, 4-wheels, medical and welfare devices and others

Japan

UNIZONE

Electro-plating, electroless plating, chemical processing, anodizing, geomet

Japan

WADA AIRCRAFT TECHNOLOGY

Designing, machining and quality assurance of the large jigs of aircraft

Japan

WANTS INC.

Hardware and Firmware development. Provider of IT Solutions such as CTI/application systems

Japan

YAMAGISHI MANUFACTURING CO., LTD

Needle bearing retainer, semiconductor manufacturing, equipment, direct drive motor. We produce precision machinery components such as a hybrid motor, using computerized numerical control, lathes, machining, combined machining...

Japan

YAMAICHI SPECIAL STEEL CO.,LTD

Precision machining, heat treatment and surface treatment, as well as the distribution of materials and finished goods

Japan

In partnership with:

PRELIMINARY LIST OF PARTICIPANTS

YOSHIMI INC.

Yoshimi Inc. is producing a wide range of products using the memory metal material for instance SMA materials, medical device, mechanical parts, fishing gear...

Japan

YUSEN LOGISTICS CO., LTD

Global Supply Chain solutions provider with dedicated expertise in the aerospace industry, operating under the JISQ9100:2009 Aerospace Quality Management System.

Japan

BAJA CALIFORNIA MEXICO EDC

Trade commission representing the aerospace industry of Baja California while providing accurate statistics of business trends, industry needs and incentives for companies interested in manufacturing in Mexico.

Mexico

PRETTL ELECTRIC DEL BAJIO SA DE CV

ELIMCO PRETTL AEROSPACE manufacture Electrical assemblies focus on aerospace business with high added value tailored to the needs and expectations of its customers with the basic principle of excellence in management.

Mexico

QUERETARO AEROSPACE VALLEY

Investment Promotion

Mexico

GIMAS

Moroccan Aerospace Association gathering 100 aerospace companies established in Morocco operating in different fields of aerospace industry such as engineering (design & conception), assembly of parts and aerostructures, composites, electronics...

Morocco

ASMG SP. ZOO

Supply of spare parts for defence and aviation

Poland

EUROTECH SP. ZOO

Design and production electronics and avionics systems, Designing and production small UAV. platforms and components.

Poland

IWAMET SP. ZOO

Manufacturers of precision aluminum, magnesium castings and CNC precision machining parts

Poland

PARASNAKE

Distribution of aeronautical parts & components, Distribution of aviation simulators and training solutions

Poland

In partnership with:

PRELIMINARY LIST OF PARTICIPANTS

POLISH INFORMATION & FOREIGN INVESTMENT AGENCY

Polish Information & Foreign Investment Agency + 9 companies

Poland

PZL MIELEC - POLSKIE ZAKLADY LOTNICZE SP ZOO

Final assembly : S-70 Black Hawk multitask helicopter / Final assembly : M28B turbo-prop twin engine aircraft for military and civil markets

Poland

ROYAL-STAR SP. ZOO

Flight training, repair of aviation equipment, mechanics training

Poland

THONI ALUTEC SP. ZO.O.

Production of aluminium sand castings and gravity die castings which are machined by state of the art - CNC machining centers at our in-house machining facility.

Poland

ULTRATECH LTD

Production of aerospace parts - production of gas and steam turbine parts - research & development

Poland

YASA MOTORS POLAND SP. ZOO KOMANDYTOWO AKCYJNA

Machining which includes a specialized metatechnologii customized to a specific group of products, especially with the airline industry

Poland

UNITED AIRCRAFT CORPORATION

Enhance the scientific and production potential of the Russian aircraft industry, ensure the security and defense capabilities of the country, pool intellectual, industrial and financial resources for the implementation of new aircraft dev.

Russia

MESSIAH'S HOLDINGS

Engineering

South Africa

ERAP KOREA CO., LTD

test solution development and simulator

South Korea

KOREAN AIRLINES (AEROSPACE DIVISION)

Airlines

South Korea

AIKHI PREFECTURAL GOVERNMENT

PRELIMINARY LIST OF PARTICIPANTS

AIRBUS GROUP - INDUSTRIAL GLOBALIZATION SOUTH EAST ASIA

Develops and manufactures both two-dimensional and three-dimensional (spatial) position/angle sensors.

Thailand

IVCHENKO PROGRESS, SE

Designing, manufacturing, test, operational development, certification and repair gas turbine engines of air and industrial applications.

Ukraine

MOTOR SICH JSC

Motor Sich JSC is one of the world's largest companies in the field of manufacturing, after sales support and overhaul of 55 types and modifications of up-to-date and dependable engines for various fixed-wing and rotor-wing aircraft

Ukraine

BOEING COMMERCIAL AIRPLANES

Boeing delivers a family of technologically advanced and efficient airplanes to customers around the world

USA

CONSOLIDATED PRECISION PRODUCTS

Mfr. & R&D premium & critical quality level aluminum & magnesium castings meeting Mil-Q-9858A standards

USA

GENERAL ATOMICS AERONAUTICAL SYSTEMS (POWAY)

Development of transformational technologies that deliver paradigm-changing results. GA-ASI is a world leader in proven, reliable Unmanned Aircraft Systems and tactical reconnaissance radars, as well as advanced high-resolution surveillance systems.

USA

KJF AEROSPACE USA

Offers assembly tooling, test fixtures, and assemblies and parts etc

USA
